I'd prefer refereeing: Training League (K,1) Trophy League (2nd & up; for Refs w/ 2 or more yrs experience)
 No preference

If and when possible, I would like to referee with: _____

KEY REFEREE RESPONSIBILITIES I will attend the training class, updates & review class & pass the test. I will follow the procedures (posted on the Referee page of www.stalbansoccer.org & listed below) keeping the Referee Director notified, in advance, of the dates & times when I'll be **unavailable** to referee.

As soon as I learn that I cannot referee a game(s) for which I've already been scheduled, I will promptly notify a Referee Director of my unavailability* I will then make every effort to find a replacement referee who is my age or older...using the Referee Contact List on the Referee page of the St. Alban Soccer website...(the password is *whistle*).

I understand that after I notify the Referee Director about game(s) that I cannot referee, I have primary responsibility for finding a replacement my age or older. I understand that once I have found a replacement ref my age or older, who has agreed to referee all the games that I cannot, I will contact the Referee Director and let them know the name(s) of the replacement referee(s). **Furthermore, I understand that if I fail to show up for a scheduled game or fail to notify the Referee Director (in advance) I understand that I will be *suspended* until, at which time, it is determined that I am able to referee future games.**

I will double check the website schedules no later than every Thursday evening to do a final verification of my assignments for that week/weekend.
